

704 Stonor Street Summerland British Columbia

Trout Creek

\$5,999,000

A truly exceptional offering, this stunning home will captivate you - the essence of Okanagan living at it's finest. Breathtaking upon arrival, this grand lakefront estate showcases outstanding architecture and design. Custom Built with no expense spared for exquisite luxury living, 75' frontage on Okanagan Lake, east and south facing for tremendous quality of light, with the option of being a multi-generational home. The main floor of the primary home features an exquisite kitchen with pantry, dining area, expansive views through a wall of windows in the living room with gas fireplace and built-ins, wine closet, family room flooded with light and gas fireplace, two powder rooms, laundry and mechanical room, and elevator to the second floor. Upstairs, a sumptuous primary suite with gas fireplace, wet bar, and private lake view deck, two more bedrooms, full bath, amazing gym with lake view as well as a deck, and elevator access. A generous breezeway with fire table, takes you to the suite, perfect for guests or extended family, including kitchen, living room, two bedrooms, multiple decks, 3 pc bath, and a stairwell down if you prefer that to the elevator. Lake frontage includes a dock, sandy beach, grassy play area, oversized patio for sunning, and a covered patio with bar seating, fire table with seating, and outdoor kitchen. The mechanics and materials of this build are sim...
