

7083 Jasper Drive Vernon British Columbia

Bella Vista

\$1,125,000

Welcome to one of Vernon's most prestigious and highly coveted addresses. Jasper Drive has long been regarded as one of the city's premier lake view streets, where homes are rarely offered for sale. Cherished by longtime residents and increasingly sought after by younger families, this exceptional neighbourhood offers the perfect blend of privacy, community, and the Okanagan lifestyle. Available for immediate possession, this residence captures breathtaking, unobstructed panoramic views of Okanagan Lake and the surrounding valley. Offering approximately 3,500 sq. ft., the home features three bedrooms on the upper level, an ideal layout for growing families, and has been lovingly maintained while offering outstanding renovation potential. A standout feature is the expansive lower-level workshop, perfect for hobbyists, woodworkers, mechanics, artists, or a home-based business. Outside, mature landscaping and beautiful rose gardens create a peaceful setting, while a walking trail steps from the front door leads directly to Kin Beach. Downtown Vernon and The Rise Golf Course are both less than 10 minutes away, with SilverStar Mountain Resort only 30 minutes away. Opportunities on Jasper Drive are exceptionally rare. Spectacular lake views, an exceptional family floor plan, and an incredible workshop combine to create a remarkable Okanagan home. (id:6769)
