

711 Mt Thor Drive Coldstream British Columbia

Middleton Mountain Coldstream

\$1,259,000

Welcome to 711 Mt Thor Drive, a stunning home perched on the desirable Coldstream side of Middleton Mountain, offering breathtaking views of the iconic Kalamalka Lake. This spacious and beautifully maintained residence features 4 generous bedrooms, 3 full bathrooms, and bright, expansive windows that fill the home with natural light while showcasing the incredible views. The functional kitchen is outfitted with new stainless steel appliances, making it a perfect space for both everyday living. Enjoy seamless indoor/outdoor living with main floor walkout access to your fully fenced backyard, complete with a deck and an inviting hot tub ideal for relaxing. The lower level offers exceptional flexibility, with ample space that can accommodate multigenerational living or serve as a mortgage helper/income suite. Love the outdoors? The pool-sized backyard is a blank canvas ready for your landscaping dreams. And for the auto enthusiast or those needing extra storage, the 3-car garage offers plenty of room. This property is the full package and its located on a no through street too! (id:6769)
