

712 Hazell Road Kelowna British Columbia

Lower Mission

\$1,700,000

Thoughtfully designed, beautifully finished & exceptionally versatile, this custom home delivers substantial family living in the heart of the Lower Mission Flats. Quality is evident throughout with wide-plank hardwood, extensive custom cabinetry, beautiful millwork, oversized windows & a floor plan designed for both entertaining and everyday life. The impressive kitchen features a Wolf gas range, quartz surfaces, oversized contrasting island, extensive cabinetry & a full butler's pantry. Open living and dining areas connect seamlessly to a large deck & private backyard, surrounded by mature neighbouring greenery that creates a wonderfully lush setting without the upkeep of a large property. Upstairs, bedrooms are thoughtfully separated alongside a generous family room, flex space & oversized laundry room. The primary retreat features vaulted ceilings, private balcony, walk-in closet & a beautifully appointed ensuite with freestanding tub, dual vanity & oversized glass shower. Exceptional storage is found throughout, while the oversized double garage adds further functionality. A self-contained one-bedroom legal suite provides excellent flexibility for extended family or additional accommodation. Best of all, this is flat, walkable Lower Mission living. Schools, H2O, MNP Place, sports fields, recreation, shops & the lake are all nearby-- giving kids the freedom to walk or bik...
