This isn't just a renovation, it's a complete transformation. Extensively reimaged in 2024, this stunning 4 bedroom + den, 2.5 bathroom home offers 3,587 SqFt of beautifully finished living space on a .20-acre lot with breathtaking valley views and unforgettable sunsets. At the heart of the home is a show-stopping custom kitchen featuring an impressive 11' waterfall island with built-in storage, premium KitchenAid appliances with transferable warranty, a Thermador hood fan, pantry with pull-out drawers, and a stylish dry bar with beverage fridge. Luxury vinyl plank flooring, flat ceilings with pot lights, and new handrails create a modern, cohesive feel throughout. The spacious primary retreat offers a private deck, spa-inspired ensuite with custom tiled shower and freestanding soaker tub, plus a walk-in closet with laundry chute. Step outside to a fully irrigated, pool-ready backyard backing onto park land for added privacy, complete with new fencing and retaining walls. Major updates include a new roof, furnace, and 4-ton A/C (2022) and R60 attic insulation. The suspended slab garage offers unfinished space below with exterior access, perfect for a media room, gym, workshop, or storage. Homes finished to this standard rarely come available. Just 15 minutes to SilverStar Mountain Resort, this is Okanagan living at its finest. (id:6769)
