Are you seeking a comfortable home with real income potential? Look no further... Upper level: spacious open-concept living with a large kitchen, living and dining rooms, 3 bedrooms, 1 bath, and a private balcony with stairs to the backyard. In-floor heat, pellet stove and heat pump keep it comfortable year-round. Mountain views, quiet and relaxing neighbourhood. The lower level offers two fully furnished guest areas, each with a private entrance, 3-pc bath, bedroom, TV lounge, dining area, cabinets, sink, fridge, dishwasher and microwave, plus direct backyard access. All short-term-rental furnishings, linens, coffee makers, dishes and supplies included. Built to B&B standards, previously licensed, with sound-insulated ceilings and fire-code drywall separating them from the main home and each other. Good potential to convert one area to a legal suite. The 854 sq ft 3-car garage has epoxy floors, heat pump, hot/cold water and a 30-amp EV outlet. The RARE flat, fully fenced yard offers smart irrigation, power gate opener, shed and RV/boat parking. Septic upgraded in 2023 to support short-term rental use. A smartphone-controlled, roof-mounted wildfire sprinkler adds peace of mind. Whether you seek a luxurious home, unbeatable income potential, or both - this property delivers. (id:6769)
