

## 7208 89TH Street Osoyoos British Columbia

Osoyoos

**\$840,000**

Click brochure link for more details. Small 4-plex building comprised of 2x 2-bedroom 1 Bath units and 2x 1 bedroom and den 1 bathroom units, see attached laser measurements. All properties each have their own laundry facilities. No common area power with 4 separate electrical meters, plenty of off-street parking in the rear of the property. Matching shed constructed-2022 in rear also. Very near to the Elementary school and town main street, approx. 400 meters from 2 public beaches. Older solid construction which limits sound transfer between units. Ideal staff housing location. A great opportunity for a house-hack, live in 1 unit and rent out the other 3. Predictable passive income strategy in a wonderful little community. Potential staff-housing suitable property. (id:6769)
