

722 Kuipers Crescent Kelowna British Columbia

Upper Mission

\$3,199,000

Perched in the prestigious Upper Mission this exceptional luxury residence showcases breathtaking panoramic views of Okanagan Lake, the city, and surrounding mountains. Offering over 5,100 sq.ft. of curated living space, this four-bedroom, five-bathroom residence seamlessly blends technology and lifestyle. Entry through the stunning oversized Walnut pivot door leads to the main level, featuring soaring coffered ceilings, rich hardwood flooring, and expansive windows that frame stunning views and lead to a deck spanning the entire main level. The gourmet kitchen is equipped with new professional appliances, a large island, and 2 walk-in pantries—perfect for both everyday living and entertaining. Another amazing standout feature of this home is a custom built primary closet that will take your breath away. The lower level is designed for recreation and relaxation, complete with a full wet bar and featuring an amazing two-tiered theatre room that has been professionally developed. To add to your ultimate comfort, the home is equipped with 2 indoor fireplaces and 3 steam showers, one in each of the ensuites. Outdoors, the showstopper awaits. The backyard featuring a dramatic cantilevered deck with tiled pool and spa, outdoor pool shower, extended fireplace deck & waterfall wall create a striking architectural focal point that complete the nearly 2000 sf of outdoor living space....
