

724 SCHOOL Avenue Oliver British Columbia

Oliver

\$565,000

This charming mid-century home blends timeless character with extensive updates completed in 2015 and 2026. Offering two fully self-contained suites, it's an ideal option for multi-generational living or for buyers looking to offset their mortgage with rental income from the self-contained two-bedroom suite. Conveniently located just steps from a school and only a 10-minute walk to downtown, this property offers both lifestyle and practicality. The long driveway provides ample parking for multiple vehicles, boats, RVs, or trailers. Recent upgrades include a new furnace, adding comfort and peace of mind. With generous square footage, versatile living options, and an affordable price point in a desirable location, this is a fantastic opportunity for homeowners and investors alike. (id:6769)
