

7255 Dunwaters Road Kelowna British Columbia

Fintry

\$1,279,000

This is a truly rare opportunity. A modern, generously sized executive rancher offering unbeatable value that, at this price, just can't be recreated. It's a 3000 sq ft smart home that blends luxury, space, and functionality into a very neat package that requires absolutely nothing to start enjoying it's comforting attributes. Situated on a beautifully landscaped .35ac, gated lot that offers fabulous, full on lake views. Inside, you'll find soaring 13-ft ceilings, an open-concept layout, and a stunning gourmet kitchen with high-end finishes--perfect for both everyday living and entertaining. With 3 spacious bedrooms and 3 full bathrooms, including a luxurious primary suite, every detail is thoughtfully designed. Enjoy the convenience of a triple car garage, a 5-ft heated crawlspace for storage, and massive RV parking. A powder coated aluminum fence with remote gate provides privacy and security, while expansive lake views offer a peaceful backdrop. This is more than just a home--it's a superb lifestyle. All the pictures and videos won't do it justice, to fully appreciate how much this property has to offer, you NEED to see it in person. At this price, there's simply nothing else like it. (id:6769)
