Spacious 3-Bedroom Home Backing Onto Parkland! This 2200+ sq.ft. 3-bedroom, 3-bathroom home offers the perfect blend of comfort, function, and outdoor living, all while backing onto beautiful provincial parkland and 5min walk to the lake. The inviting main floor features a bright kitchen, dining area, living room with fireplace, and a bedroom serviced by a full bathroom with laundry. Step outside to enjoy the large front porch or expansive back deck, creating seamless indoor/outdoor living. Upstairs, a spacious loft overlooks the main level and connects to a private balcony. The master bedroom includes a full ensuite with a large soaker tub. The lower level adds a large recreation room, a third bedroom, and flexible spaces that can easily convert into an additional bedroom. The well-manicured yard features fruit trees, gardens, and a back gate leading directly into the park. A detached 2-car garage/shop is perfect for hobbies, projects, or storing all your toys, with plenty of additional parking available. Modern comforts include recent heat pumps for summer cooling and a 2025-installed backup battery bank for peace of mind during power outages. Built in 2008, this home is ideal for retirees seeking a quiet retreat or families wanting space and direct access to outdoor adventures. Hydro averages just \$100/month! Come grab your piece of paradise before it's gone! (id:6769)
