Glenmore

\$2,599,900

5 bed 5 bath new build smart-home nestled in the prestigious secure gated community of Highpointe overlooking downtown and Okanagan Lake. This house has been custom built by Frame Homes and boasts privacy, views, and is centered around the spacious and open-concept living area. The great room, adorned with floor-to-ceiling windows, offers views of the lake, city and mountains with walls that open up to the secluded pool deck. Built for outdoor living, the poolside ""outdoor living room"" and outdoor kitchen make for the ideal private oasis - the perfect setting for dining, lounging, swimming, and soaking up the sun! 4 bedrooms, an office and a rec room up provides ample space for your family and a guest room downstairs provides separation for your visitors. The master suite features its own heated covered patio, gorgeous ensuite and walk-in closet. Designed to easily modify to a large main floor master if required. This desirable community is a tranquil retreat near all amenities. Walk out of the oversized triple garage directly onto Knox Mountain hiking and biking trails or be downtown in minutes! Experience the Okanagan lifestyle you have always dreamed of! (id:6769)
