Kaleden/Okanagan Falls Rural

\$1,250,000

Set on 10.2 private acres, this beautifully updated country property is located just 20 minutes from Penticton and offers stunning mountain and valley views in a peaceful rural setting. The 1,741 sqft home features 3 bedrooms, 3 bathrooms, and a semi-finished insulated basement with additional storage and washroom. A full interior renovation completed in 2020 included new insulation, plumbing, and wiring, creating a modern and comfortable living space while maintaining its country charm. A large single garage with 561 sqft carriage house studio suite was added in 2023. This property is well suited for horses, cattle, or hobby farming with multiple fenced grazing areas, a water license for irrigation, and a forested section intentionally planted to provide a sustainable supply of firewood. Additional improvements include rebuilt wood stove piping with new WETT certification in 2026, a new septic system installed in 2023, and a rebuilt pump house in 2024 servicing the strong 12-15 GPM well. A fully finished 561 sqft carriage house completed in 2023 offers excellent flexibility with a bonus room, kitchen, bathroom, and private balcony--ideal for guests, extended family, or rental potential. The property also features a powered double carport built in 2021, full 30A RV hook-up with two additional 30A outlets, and a convenient pull-through loop driveway for easy access and maneuver...
