

750 Kuipers Crescent Kelowna British Columbia

Upper Mission

\$2,700,000

Step into elevated living in this beautifully re-imagined 5-bed + den, 4-bath residence, where luxury, comfort, and panoramic views converge. From the moment you arrive, the grand entry and soaring vaulted ceilings set the tone for a home designed to impress, while the chef's kitchen, featuring premium appliances and a butler's pantry, anchors the heart of the main level with style and function. Expansive windows frame breathtaking 180-degree vistas across the city of Kelowna and Okanagan Lake, creating an extraordinary backdrop for everyday living and entertaining. The primary retreat, privately positioned on the main floor, offers a serene escape complete with stunning lake views and a spa-inspired ensuite. Two additional spacious bedrooms upstairs offer comfort and privacy for family and guests. The walk-out lower level is an entertainer's haven, thoughtfully designed with a refined whiskey tasting room, temperature-controlled wine cellar, sleek bar, generous recreation space, and a state-of-the-art theatre. Step outside to the private backyard and pool area, where the views become more spectacular and unforgettable. Completing this exceptional home are four garage spaces, including a double and tandem garage, with EV charging and abundant room for a boat or RV, along with extensive additional parking for guests. Every element of this residence blends elegance with pract...
