

758 McMurray Road Kaleden British Columbia

Kaleden/Okanagan Falls Rural

\$1,585,000

On 65 acres of treed privacy, sits a beautiful 3083 sqft home, 400sqft guest house, horse stables, a huge 2 storey double-bay shop, all adjacent to Yellow Lake! The beautiful home has soaring vaulted ceilings, exposed wood beams, & stone fireplace with a wood stove. The open plan main floor has a gorgeous kitchen with classic detailing, center island, wall oven, walk-in pantry & high ceilings. It continues into a large dining area, spacious living room & into another entertaining space. There's also a sunroom & huge laundry/mudroom on the main. The grand staircase leads up to 3 well appointed bedrooms, & down the hall is the main bathroom, & the beautiful primary complete with ensuite & walk-in closet. The partial basement has a rec room & huge storage room, & access outside. A massive front deck takes in the stunning views & has an inset hot tub plus gorgeous pergola patio too. The accessory buildings on this property are spectacular, with a lovely bachelor style guest house with vaulted ceilings & huge deck, horse stables & paddocks below. The 36' x 28' detached shop has two spaces, one enclosed at regular height & one vaulted with oversized overhead door and 20' ceiling height. A mezzanine of space above the one side includes 2 finished rooms perfect for a gym/home-office/workspace. Enjoy living on this rural slice of paradise only 20 minutes to Penticton, moments to Twin...
