

759 Young Road Kelowna British Columbia

Lower Mission

\$758,800

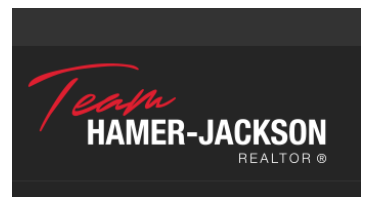

Build in a beautiful tree lined mature lower mission neighbourhood. This prime lot is located just steps from Dorothea Walker and is ready for you to build. All sidewalk, and utilities have been completed, and the property will be zoned RU1 shortly. So many possibilities! RU1 in this area allows for up to four units however two separate dwellings with suites may be more practical. We have some initial design sketches available if interested. (id:6769)
