

7608 GRAYSHELL Road Prince George British Columbia
\$824,900

Welcome to 7608 Grayshell Road, where comfort meets convenience. Upon entering, you'll be greeted by heated tiled floors, setting the tone for a warm and inviting home. The living room boasts a natural gas fireplace and impressive 20 ft vaulted ceilings, creating an airy ambiance. The main level features open concept living with a picturesque view to enjoy while cooking, dining or relaxing in the living room. Bedrooms are conveniently located upstairs. The basement expands the living possibilities with a 2-bedroom suite and a secondary bachelor suite, perfect for multigenerational living. The basement also features an additional space reserved for the main house, ideal for a home gym, media room or additional storage. The large garage provides ample covered parking. (id:6769)
