Updated, Big Shop, Guest Suites, with all the Bells and Whistles! This 6 bedroom plus a den, 4 bath renovated home features all sorts of smart technology, outdoor LED lights, an electronic gate, and more- not to mention a chef's dream kitchen with dual quartz waterfall islands, a smart oven, a pot filler, a hidden microwave, security-camera TV integration, a secret butler's kitchen with a double oven, second sink, and motion-lit cabinetry. Daily chores get an upgrade in the mudroom with heated tile floors, a live-edge laundry counter, and an automatic electronic dog door for your VIP furry friend. The upper level holds three more bedrooms and a bathroom as well as the primary suite which boasts a freestanding soaking tub, a secondary laundry, a steam shower with body jets, and color-changing smart lights. Guests will love their own space downstairs where there are 2 more bedrooms and a den. The fully fenced backyard is an outdoor paradise ready for weekend action with a hot tub, a covered lit deck, a paver patio, a multi-purpose she-shed/chicken coop, a double garage with an EV charger, and a paved driveway leading to covered RV parking with full hookups. To top it all off, the massive 200-amp detached shop with its own bathroom also offers a 3 bedroom guest suite perfect for multi generational living--plus the ultimate showstopper hidden beneath: a fully cemented underground...
