HUGE PRICE ADJUSTMENT TO GET THIS HOME SOLDOffers will be presented on March 07th at 3pm. This home has been meticulously renovated with modern features and fire-smart upgrades, including a durable metal roof, fire-resistant exterior, a 3,000-litre cistern, and a spacious gravel pad to reduce flammable material and provide a huge parking area. The luxurious 900 sq ft master suite offers a 5-piece ensuite with heated bathroom floors, ensuring comfort year-round. Climate control is effortless with ductless split heating and cooling, while the automated Lutron Caseta lighting and automatic locks add a touch of modern convenience. The brand-new kitchen, equipped with all new appliances, seamlessly blends contemporary style with functionality. Despite the modern upgrades, the home retains its original charm with beautiful wood floors, exposed beams, and a spacious wrap-around porch. Additionally, a separate one-bedroom suite presents an excellent opportunity for an Airbnb or guest accommodations. This almost 6 1/2 acre property is not in the ALR and is packed with additional features, including 200 amp service, a 1,500 sqft slab-on-grade quonset with power, water, and heat, an outdoor glamping kitchen, a cozy fire pit, two driveways, and a parking compound. Animal lovers will appreciate the chicken coop and dog walking trails. And, of course, the breathtaking views of two ...
