Experience the perfect blend of historic charm and modern living in this beautifully updated 1925 two-story home in downtown Kelowna, offering both timeless character and future development potential. With 4 bedrooms, 2.5 bathrooms, and 1,930 sq. ft. of meticulously maintained space, this home seamlessly merges classic cottage appeal with contemporary updates. Architectural features such as corbelled brick chimneys and exposed brick accents in the kitchen highlight the home's heritage, while original hardwood floors and a fireplace enhance the open-concept living and dining areas. The kitchen offers custom cabinetry, stainless steel appliances, and a cozy breakfast nook with brick detailing. The spacious main-floor primary bedroom includes a newly updated ensuite, accompanied by a mudroom and a guest bathroom for added convenience. The unfinished basement provides generous storage.
