

7863 Boulter Road Vernon British Columbia
 North BX
\$1,599,000

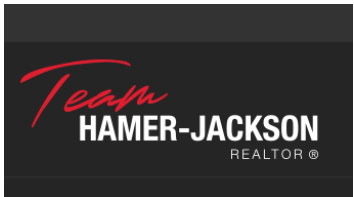

Just a short drive from vibrant Vernon, this ideally located property offers seclusion and accessibility. Picture residing in this custom-built home, with golf courses, stunning lakes, skiing, hiking trails, and exciting lake activities within reach. The home itself will be outfitted with a hardi-board plank siding and board and batten accents. Inside, a foyer welcomes you and leads into the living room with gas fireplace and access to the south-facing deck. The open-concept kitchen will be finished with quartz counters, white shaker cabinetry, a large island, induction stove, and pantry. A main floor master will impress with a walk-in closet and 5-piece bath and two additional bedrooms. Below, a fourth bedroom can be found, along with a spacious family room. Additionally access the two-bedroom, one bathroom suite. A double car garage and additional workshop will hold all of your toys. This unique property shares a private road with four residences, each boasting its own generous and secluded lot. (id:6769)
