

7938 Graystone Drive Coldstream British Columbia

Mun of Coldstream

\$1,995,000

Spectacular lake views, a backyard resembling a private resort, and plenty of room to bring everyone together. This custom-built 4-bed, 5-bath home was made for entertaining & enjoying life to the fullest. Inside, soaring ceilings & expansive windows fill the home with natural light and panoramic lake views in nearly each room. A beautifully designed kitchen where everyone will naturally gather features premium appliances, sleek cabinetry, an oversized island & champagne sink. It opens directly into the bright living area for relaxed family dinners & evenings with friends. Outside, an expansive upper deck made for summer drinks & long lakeview dinners, and a backyard set up for serious fun. Dip in the saltwater pool, relax in the hot tub & outdoor shower, play a round of mini putt, or fire up the built-in BBQ. The covered outdoor kitchen makes entertaining effortless, while multiple lounging areas allow friends to settle in & stay. When the day winds down, retreat to the sauna, private gym or spa-inspired bathrooms. For convenient access between levels an elevator & wheelchair accessibility are incorporated into the home's design. An oversized 3 car garage ready for toys, plus an impressive 11'10" x 32'4" boat bay finished with professional polyurethane flooring. The location, Kalamalka Lake, is famous for spectacular turquoise waters, with beaches, schools, amenities, park acc...
