

7940 Keddleston Road Vernon British Columbia

North BX

\$2,185,000

A once-in-a-lifetime estate with sweeping lake and mountain views, this 62-acre property captures the very best of Okanagan living. Perfectly suited for horses or ranching, it features a 96' x 63' barn with 10 stalls, tack room, office area, fully wired workshop, abundant storage, and a brand-new roof. The acreage has been thoughtfully cleared with wide trails weaving to the edge of the property, offering endless opportunities for horseback riding, off-roading, or peaceful walks through nature. Out of the ALR and with subdivision potential, the land itself is as versatile as it is beautiful. The custom-built home provides room for the entire family with 4 bedrooms and Office (or 5th Bedroom), 3 bathrooms, a double garage, and a host of upgrades including a new kitchen with appliances, new flooring, remodelled bathrooms, updated internal doors, trim, gutters (2025), hot tub pump, and well pump (2022). Additional comforts include built-in vacuum, heat pump with air, fireplace, and a top-floor remodel completed in 2021. Outdoors, the front English Garden creates a stunning welcome while the new deck pergola is perfect for soaking in the serene surroundings. Offering the ultimate balance of privacy, recreation, and potential, this remarkable estate is more than a home—it's a lifestyle. (id:6769)
