For more information, please click Brochure button. Nestled in a prime lakeview location, this stunning home offers luxury, breathtaking views, and resort-style amenities. Designed to capture the beauty of its southern exposure, the property boasts an expansive two-level indoor pool room with soaring ceilings and full-height windows. Step outside onto the spacious stamped concrete deck, featuring a ground-level hot tub and a partially covered shaded oasis, perfect for relaxation. The gourmet kitchen is a chef's dream, featuring waterfall quartz countertops, two oversized islands, and modern appliances. The open-concept design flows into the family room, where large windows frame unobstructed lake and mountain views. The upper level offers a luxurious primary suite with a spa-like ensuite, along with two additional spacious bedrooms. A paved private driveway leads to a massive 45' x 24' finished detached garage, zoned for a carriage house. The lower level includes a family room, an extra bedroom, a potential fifth bedroom or office, a large laundry room, a four-piece bathroom, and storage space. The triple attached garage provides ample parking for vehicles and recreational toys. Located just one minute from the boat ramp and lake access, this property offers the ultimate blend of privacy, elegance, and convenience. (id:6769)
