This immaculate 3-bedroom, 2-bathroom Moduline rancher-style home (built 2015) offers comfort, efficiency, and a bright, open layout—all just steps from Dauphin Park, without being inside the park itself. With thoughtful factory upgrades, and still feeling like new, this 1,152 sq ft home has just been freshly painted and features brand-new carpeting throughout. The welcoming and spacious great-room design includes a large living area that flows effortlessly into a modern kitchen with stainless steel appliances, extended breakfast bar, and generous cabinetry.
