NO AGE-RESTRICTIONS in this conveniently located low-fee strata! This is a true RANCHER with no stairs, has (2) bedrooms + (2) baths + (2) car garage and a full crawl-space underneath the unit for ample storage. 1400+ ft² of tastefully finished living space and 9ft CEILINGS make this home spacious and bright from front to back. The rear patio opens onto treed landscaping and grass, and so does the entire side-yard because this is a END-UNIT, which is excellent for dog-owners, children to run around, or for those who simply appreciate extra PRIVACY. Skyway Village is walking distance to shopping and Harwood Elementary School, is located on a bus route, and with walking and cycling paths at your door step, this home a perfect choice for those seeking convenience and access to all that the city has to offer! These ranchers with 2-car garages and no age-restrictions rarely come to market so please call PETER with any questions or to book your private showing. Thank you!
