Welcome to this super functional and family-friendly 3-bedroom, 3-bathroom townhome in one of Vernon's nicest little complexes. Whether you're a first-time buyer, a growing family, or just looking to simplify life without giving up space, this home has a lot to offer. As you walk in, you'll notice how everything you need is right on the main floor—laundry, a spacious kitchen, primary bedroom with ensuite, bathroom, and a bright living and dining area that's great for everyday life or having friends over. It's a layout that just makes sense. Upstairs, you've got two good-sized bedrooms, another full bathroom, and a cozy bonus space that could be a second living room, playroom, office, or whatever fits your lifestyle.
