Welcome to this well-maintained single wide manufactured home with a spacious addition, located in the family section of the park. One of the stand out features of this property is the yard: a large, fully fenced, West facing backyard with room for kids and pets to roam, garden beds, summer gatherings, or all of the above -- plus parking for two vehicles. This 3-bedroom home offers a functional layout with the primary bedroom privately situated at the back of the home and two additional bedrooms located in the center. The home features a nicely renovated 4-piece bathroom and an updated kitchen complete with newer appliances, including a fridge, stove, and hood fan (approximately 2 years old). Convenient in-unit laundry includes a side-by-side washer and dryer. Flooring throughout the home is primarily laminate, with carpet in the living room and durable laminate tile flooring in the kitchen, hallway, and bathroom. Additional updates include a newer roof over the addition and a recently completed electrical inspection and silver label. Located just 7 mins to the Airport, and 5 mins to all of the shops and amenities in Lake Country, and close to multiple beaches. Don't miss this one!! (id:6769)
