

680 Old Meadows Road 81 Kelowna British Columbia

Lower Mission

\$864,900

Welcome to Brighton, a highly sought-after family community in the heart of the Lower Mission. This rare corner townhome offers over 2,000 sq.ft. of bright, well-planned living & the largest; private yard in the entire development-- a standout feature rarely found in townhome living. The expansive, fully fenced outdoor space provides exceptional room to lounge, play, garden & entertain in privacy. Inside, the main floor is open, inviting & filled with natural light. A modern linear fireplace anchors the living room, while the white kitchen features a full-length island, gas range & excellent storage, flowing seamlessly to the dining area & outdoor space. The connection between indoor living & the oversized yard creates an ideal setting for both everyday living & gathering with family & friends. Upstairs are three comfortable bedrooms, including a spacious primary suite with a full ensuite featuring a separate shower & soaker tub. The lower level adds a generous rec/media room, perfect for kids, guests, a home gym or movie nights. A side-by-side double garage provides secure parking & additional storage. All of this in a walk-to-everything location just moments to beaches, H2O Adventure + Fitness Centre, the Capital News Centre, schools, parks, shops & the Greenway. With the largest yard in Brighton & a highly desirable Lower Mission setting, this home offers a rare combinatio...
