

Whitehorse Yukon

\$799,900

Split-level smart. Copper Ridge classic. Views included. This is 82 Keewenaw Drive--a quality Empress-built home offering nearly 2,200 sqft of well-designed living across three levels. This 4-bed, 3 bath layout delivers the separation and flow today's families are after, with vaulted ceilings connecting the kitchen, dining area, with a formal living room, complete with a side of mountain views. Upstairs; a primary bedroom with walk-in closet, full ensuite with jetted tub and separate shower, plus two additional bedrooms and a full secondary bath. The lower level offers a cozy family room with propane fireplace, 4th bedroom, 4pcs bath, laundry, and direct access to the heated double garage. Outside, fully fenced and landscaped backyard includes a generous deck with future potential (sauna negotiable) and privacy trees. Out front, a concrete drive, RV parking, and evening sun. Well maintained and shows great. Smart layout, solid home, with practical family function. (id:6769)
