

8208 Tebo Drive Coldstream British Columbia

Mun of Coldstream

\$999,900

Looking for a true rancher without having to downsize? This home is a must-see. Built in 1991 by the original owner, this spacious rancher offers 4 bedrooms—or 3 bedrooms plus a home office—and over 2,100 sq. ft. of comfortable living space. The home was thoughtfully designed with future renovations in mind, featuring no interior load-bearing walls, allowing you to create a more open layout if desired. Major components have been updated over time, including the furnace and A/C (4 years old), appliances (4-6 years old), and a roof approximately 15 years old. The home presents an excellent opportunity to update and design to your taste, ideal for aging in place while maintaining generous living space. Poly B plumbing is present. Situated on a flat 0.49-acre lot, there is ample room for a pool and a secondary dwelling, with zoning that allows for additional development. Located in a quiet neighborhood close to all levels of schools, dog parks and walking trails, Vernon Golf Course, and Kal Beach within walking distance.
