

8311 92nd Avenue Osoyoos British Columbia

Osoyoos

\$995,000

Perched on a generous 0.33 acre lot, this custom-built 3,646-square-foot residence features 3 bedrooms and 4 bathrooms, providing plenty of room for family living or entertaining guests. The main level welcomes you with an abundance of natural light and an open-concept layout that flows effortlessly from the living areas to the outdoors. The large kitchen is highly functional and ideal for hosting, while the adjoining living spaces feature expansive windows designed to frame the beautiful surrounding views of the lake and valley. The primary suite serves as a peaceful retreat, complete with a private ensuite bathroom and ample closet space. Two additional well-appointed bedrooms ensure comfortable accommodations for everyone. Downstairs, the finished lower level provides an expansive versatile area that can easily serve as a media room, home gym, or a separate lounge for guests. Step outside to enjoy the sun-drenched backyard and wonderful garden, or enjoy the waters in the hot tub. The home also boasts a full solar panel array to keep your expenses down. And, there are 2 attached 2 car garages for all your toys! Call today to view this gem. (id:6769)
