

834 Steele Road Kelowna British Columbia

Upper Mission

\$1,199,900

A perfect lake-view (pictures don't do it justice, it's a must see) family home! Four bedroom, three full bath home with kidney-shaped in-ground pool, gardens and flat space for children! Formal living and dining with gleaming hardwood floors, custom window blinds and updated windows. U-shaped eat-in kitchen with direct access to the spacious covered deck overlooking the pool and soaking in the stunning views. Sunken family room with cozy gas f/p, main floor laundry room, and convenient full bathroom for guests and pool users! Upstairs are three extremely spacious bedrooms, including the primary one with a lake view/sunset balcony, dual closets, and a full ensuite with a great walk-in tiled shower. The two guest/children's bedrooms have California shutters and share the updated main bathroom with a granite vanity. The basement has a comfortable recreation room, 4th bedroom and super storage space! Double garage with work benches and driveway with ample vehicle parking plus RV/boat parking along the side. This home is in a perfect situation between The Ponds neighbourhood to be able to enjoy all their trails, shopping and Canyon Falls Middle School and Lower Mission amenities! (id:6769)
