

837 MCDONALD Road Vanderhoof British Columbia

\$724,900

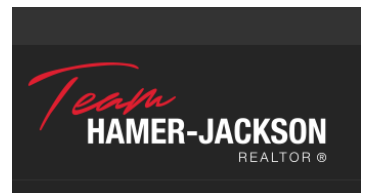

Custom built, updated home on 6.3 acres located just 5 minutes from downtown. This sprawling home offers 6 bedrooms, 3 bathrooms, a wrap-around sun deck, expansive windows, vaulted ceilings, hardwood floors, and a lovely open concept design. The kitchen is made for entertaining with a huge island, Corian countertops, wine cooler, and a gas stove. The living room boasts massive windows and a floor to ceiling rock fireplace that helps keep the home cozy on cooler days. The primary bedroom is huge, with a gorgeous ensuite and doors leading to your private oasis with a covered hot tub area on the side deck. Other great features include a greenhouse, mud room off the attached garage, a Blaze King woodstove, huge pantry, and the entire house was substantially renovated in 2013. (id:6769)
