BACKING GREENSPACE! Built by the highly regarded C2 Homes, this beautifully designed half duplex offers the perfect blend of style, functionality, and location in the sought after Windsor Pointe. Backing directly onto green space and Dow Centennial Fields and just steps from the North Saskatchewan River valley, this home delivers an exceptional lifestyle. The thoughtfully designed main floor features a spacious living room, generous dining area, and a stunning kitchen complete with quartz countertops and quality finishes throughout. Upstairs you'll find 3 impressively sized bedrooms, convenient second-floor laundry, and a luxurious primary retreat with a massive walk-in closet and spa-inspired ensuite featuring dual sinks, a soaker tub, and separate shower. Additional highlights include a double attached garage, side entrance, rear deck, upgraded finishes, and an outstanding floor plan designed for modern living. A quality-built home in one of Fort Saskatchewan's most desirable communities. (id:6769)
