There's nothing uncanny about these Windsor Pointe duplexes. Boasting 9-foot ceilings, 3 beds 2.5 baths with upstairs laundry, and side door access for suite potential, they make the perfect investment or growth opportunity for a new family. Plus, right next door to off-leash dog parks, playgrounds, and a short walk to the North Saskatchewan, this is the prime location to enjoy the most of Fort Living. Don't hesitate, lest they become a fever dream of missed opportunity! (id:6769)
