

8475 Silver Star Road Vernon British Columbia

North BX

\$849,000

A rare opportunity to enjoy the best of the North Okanagan from this private 2-hectare (4.94-acre) property, conveniently located between Vernon's lakes, beaches and amenities and the four-season recreation of SilverStar Mountain Resort. Two creeks wind through the property, creating a peaceful, treed setting with excellent privacy. The property features an exceptionally well-built 64' x 94' shop, constructed with permits and final inspection. Highlights include 200-amp electrical service, radiant in-floor heat in portions of the building, extensive storage and a flexible layout with removable interior walls (40' x 96' clear span). Currently used for personal automotive restoration and storage, it offers outstanding space for equipment, recreational vehicles, collections, hobbies or workshop use. The shop also contains a one-bedroom-plus-den living space added after the original construction without permits. Zoned Country Residential and outside the ALR, the property offers potential for a future principal residence and additional secondary dwelling, subject to RDNO requirements and approvals. A shallow well that produces lots of water and septic system (recently pumped) are in place. (id:6769)
