The basement of the home has two more bedrooms, a large bathroom/laundry room, plus a huge rec room and another semi finished space. The huge bonus here is there's an outside access to the basement so it would be a perfect suite conversion! The home sits on a large flat .165 acre lot with lovely yards both front and back, fenced garden area, large shed, and a carport. There's space for a carriage house or more while still keeping the yard space! This home would be perfect for a young family needing space, someone who wants to add the suite and have an income, or add the suite and carriage house and really take advantage of the space and income pote...
