\$599,900

A refreshing twist on duplex living. This freehold 3-bedroom, 2.5-bathroom home offers approximately 1,350 sqft of thoughtfully designed living space with no shared common walls, delivering a detached feel without sacrificing affordability. The bright main level features a spacious tiled entry, hardwood flooring throughout the living and dining areas, and a sleek kitchen complete with granite countertops, bar seating, tiled backsplash, stainless steel appliances. Upstairs you'll find the primary bedroom with mountain views and 3-piece ensuite, two additional bedrooms, full secondary bathroom, and laundry. Outside is where it's at! Fully fenced backyard backing onto a walking path, highlighted by the two-tier deck, secondary platform deck, lounge shack with storage, fire pit area, and lawn—creating the perfect outdoor retreat for relaxing or entertaining. Attached garage, covered front porch, modern energy-efficient construction, and excellent curb appeal. This is the one! (id:6769)
