Lakeview Heights

\$1,439,900

Come enjoy the Okanagan life! This home has been in the family since 1962 and is looking for a new family to love it as much as the current home owners. This could be the estate property that you are looking for. Sits on one acre of land with a beautiful view of the mountains and a peek a boo lakeview toward Kelowna. The home sits in a beautiful natural setting. Private and quiet location in Lakeview Heights. Minutes to downtown Kelowna. Close to world class wineries and a short drive to walking trails and beaches. Motorized blinds in the living room. Motorized louvered pergola with lights on the patio. Owners had 1/2 acre planted with grapes that could be replanted for the hobby wine maker. There is a private bedroom plus bathroom on the side of the home that is perfect for an elderly parent. Plenty of room to build the shop of your dreams. (id:6769)
