

859 Mt. Bulman Place Vernon British Columbia

Middleton Mountain Vernon

\$1,099,995

Step into bright, airy elegance at 859 Mt Bulman Place, nestled in Vernon's coveted Middleton Mountain. This beautifully updated 5-bedroom, 4-bathroom home welcomes you with a soaring two-storey entryway that immediately sets the tone for its open and inviting layout. Perfectly situated with no rear neighbours, the serene property backs directly onto a peaceful conservation area, offering uninterrupted mountain views and lasting privacy. Inside, enjoy copious recent upgrades; from refinished flooring and replaced carpeting, to the recently replaced furnace and hot water tank, this property comes stress free. The main level boasts fresh paint, a cozy natural gas fireplace, and a spacious bonus room, ideal for a multitude of uses. The kitchen is a chef's delight with a newer 36-inch professional gas range, and flows into a four-season room with skylight, the perfect sunny retreat. Upstairs, the primary suite features serene views of the conservation area and a fully renovated ensuite bathroom with a freestanding tub and glass-walled shower. Two more bedrooms and a full bath complete the upper level. Downstairs, the finished basement offers two additional bedrooms and two bathrooms, ideal for guests or extended family. With central air, a double attached garage, irrigation, and municipal water, this home offers comfort and functionality in a peaceful and natural setting. Come tak...
