

859 Mt. Bulman Place Vernon British Columbia
 Middleton Mountain Vernon
\$970,000

There's a quiet kind of magic that happens when a home just feels right. At 859 Mt Bulman Place, that feeling begins the moment you step through the soaring two-storey entryway, where light pours in and the outside world seems to slow. Set against a peaceful conservation backdrop with no rear neighbours, this 4/5-bedroom, 4-bathroom Middleton Mountain home offers rare privacy paired with sweeping mountain views. Every detail has been thoughtfully updated, from refinished flooring and new carpeting to a recently replaced furnace and hot water tank, creating a truly turnkey experience. The main level invites connection, with fresh paint, a warm natural gas fireplace, and a versatile bonus room ready to become whatever your life needs most. The kitchen is designed to inspire, featuring a 36-inch professional gas range and flowing effortlessly into a sun-filled four-season room beneath a skylight. Upstairs, the primary suite is a retreat of its own, with tranquil views and a beautifully renovated ensuite. A flexible family room/bedroom above the garage adds space for growing families. Downstairs, a spacious rec room and additional bedrooms—including a unique breakfast room/bedroom—offer endless possibilities for guests or extended family. (id:6769)
