$1,599,599

Rare Stratified 3-plex investment opportunity in a prime central Kelowna location. This well-maintained, income-producing property offers 6 bedrooms and 4 full bathrooms across three self-contained units--an excellent addition to any portfolio. Located just blocks from Kelowna General Hospital, Okanagan Lake, the future downtown UBCO campus and less than one block to the Ethel Street bike corridor, this area consistently attracts strong tenant demand. Each unit features a functional two-storey layout with a living room, kitchen, dining area, and 2-piece bathroom on the main floor, finished with durable polished concrete flooring. Upstairs offers two bedrooms per unit. The 860 is especially desirable, featuring two primary bedrooms, each with its own 4-piece ensuite and access to a sunny south-facing deck. 862 and 864 each include two bedrooms and one full bathroom, with 864 mirroring 862. All appliances are under five years old, and each unit includes a storage shed. All three units are currently rented, providing immediate income. Month-to-month tenancies offer flexibility for future rent adjustments or repositioning. This is a rare opportunity to secure a legal multi-family property in one of Kelowna's most sought-after rental corridors. This property would be amazing for short-term rentals, check with city's current short term rental policies. (id:6769)
