## **RE/MAX Kelowna** 100-1553 Harvey Avenue Kelowna, BC, Canada

×××

Developers and Investors this centrally located home is zoned RM3 for multifamily units. The Main Street location is close to downtown, schools, transit and restaurants making it attractive for people that want an active lifestyle. This comfortable family home has a second floor primary bedroom with 3 piece bathroom and sitting area for some privacy. The main floor has some original hardwood flooring in the living room, sunroom and dining room for extra character. There are excellent tenants in place paying rent plus utilities and they truly are excellent. Buyer to verify measurements if important. Call for more information! (id:6769)
