

Moncton New Brunswick

\$234,500

New Brunswick Real Estate Board

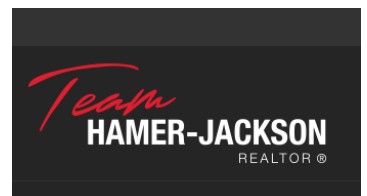

This house is a must see for flippers. It has 5 bedrooms, a large kitchen. The original hardwood floors are in good shape just need to be refinished. All copper wiring. Most of the windows are Vinyl. The basement is clean, dry and in great shape. There is a 16 foot above ground pool to enjoy on those hot summer days. Close to all amenities this house just needs someone with a vision. PID70673512 will be subdivided on or before closing and survey completed. Could be purchased as a package with the following listings for a larger residential development. Extra lots will be HST applicable. NB112305 NB112315 NB112312 NB 112310 (id:6769)
