

8792 Cortland Place Coldstream British Columbia

Mun of Coldstream

\$2,299,900

This fabulous Kalamalka Lakeview property with in-ground saltwater pool in desirable Coldstream takes move-in ready to the next level. Enter through the main custom solid wood door with extensive rubber seals for extra sound proofing as you will find with all the interior doors. The main floor contains an open-concept layout centered around maximizing the views. With ceilings lofted to the bonus room on the second floor and a breathtaking marble fireplace, the living room is ideal for entertaining. The adjacent kitchen comes completed with classic white cabinetry, a massive center island, top of the line appliances, and a walk-in pantry. Further, the main floor master suite is an idyllic retreat with a soaker tub in the ensuite bathroom and large walk-in closet. From this level, a covered balcony with built-in grill awaits seasonal outdoor dining. Below the main floor, an expansive lower floor contains four bedrooms, two bathrooms, two laundry spaces, and a bonus room. A family room on this level has a handsome stone-faced fireplace. From here, walk out onto a covered balcony with hot tub and breathtaking views. (id:6769)
