LOWER MISSION LIVING ON A QUIET CUL-DE-SAC! Enjoy a private backyard, plenty of parking and a move-in ready home just steps from schools, parks + all the local amenities! Located on a .24 acre lot, this fully updated family home offers a vibrant split-level layout that gives everyone room to spread out. The main floor is bright and welcoming, featuring extensive hickory flooring with an updated custom kitchen overlooking the backyard with two-tone cabinetry, a gas range & SS appliances! The dining area connects seamlessly to the outdoor living space, where a pergola-covered sundeck creates the perfect setting for summer dinners, entertaining friends or enjoying a quiet evening outdoors. The lower family room is a natural gathering place with its gas fireplace, built-in breakfast nook & cozy media area adjacent to a powder room & laundry area that connects to the 2 car garage . Upstairs you'll find all 4 bedrooms, including a spacious primary retreat complete with a large walk-in closet + a luxurious 5-pc ensuite with dual vanities + soaker tub. Outside, the fully fenced backyard feels secluded & offers plenty of room for backyard games, gardening, pets and kids! The detached man cave provides extra flexibility for hobbies, projects or additional storage in addition to the large crawl space. Located within walking distance of schools & parks, this home is just a short bike to...
