Introducing "The Lioness" by Janeen Goligher Design in collaboration with Square Foot Construction. Nestled in the exclusive community of Lighthouse Landing, this custom-built five-bedroom, five-bathroom residence exemplifies refined living through a seamless blend of timeless design and modern comfort. Breathtaking lake views pour through Loewen wood-framed, double-glazed windows, bathing the home in natural light. The chef's kitchen boasts integrated Fisher & Paykel appliances, custom cabinetry, a wine fridge, and Taj Mahal quartzite countertops. An adjacent dining room with built-in bar and a 100-year-old antique glass display offers a perfect blend of function and elegance. The great room features a handcrafted Bentley gas fireplace and opens onto a covered deck with a built-in fire pit and BBQ--perfect for year-round entertaining. Additional highlights include a traditional Finnish cedar sauna, mudroom with custom built-ins, and a picture-perfect upper hallway framing sweeping mountain views. The serene primary suite offers a deep soaker tub, double rainfall shower, bidet, and Statuario marble vanities. The home also features a theatre room, integrated Sonos audio with Wi-Fi speakers, radiant in-floor heating across 12 zones, and a double heated garage. A separate guest house offers added space and versatility. Expertly designed and masterfully executed, The Lioness is ...
