Mun of Coldstream

\$1,675,000

Welcome to your dream home in the heart of Coldstream, where jaw-dropping views of Kalamalka Lake take center stage. Thoughtfully designed and built in 2020, this 5-bedroom walkout rancher perfectly blends modern elegance with relaxed comfort, making it ideal for families, entertainers, and anyone who loves the outdoors. From the moment you walk through the door, you're greeted with wall-to-wall windows that capture panoramic lake views and flood the space with natural light. The open-concept main floor showcases a stunning chef's kitchen with quartz countertops, custom cabinetry, a large island, and a gas range--ideal for cooking, hosting, or just hanging out with family. The living area is anchored by a floor-to-ceiling stone fireplace, creating warmth and ambiance year-round. The main floor primary suite is a true retreat with a spa-like ensuite featuring double vanities, a tiled walk-in shower, a soaker tub with lake views, and a spacious walk-in closet. Two additional bedrooms (or home office/flex space) and elevated details throughout--like engineered hardwood flooring, crown moldings, and designer lighting--add to the refined but comfortable feel. Step outside to your covered deck and take in the unobstructed lake and valley views--perfect for morning coffee or sunset wine. Downstairs, the bright walkout level is packed with potential. With a roughed-in kitchen, it's ...
