Middleton Mountain Coldstream

\$1,699,000

This is what Okanagan living is all about--panoramic views of Kalamalka Lake, beautiful design, and effortless comfort. This 5-bedroom Coldstream home, built in 2020, showcases exceptional craftsmanship with a perfect balance of high-end finishes and thoughtful layout. From the moment you step inside, you're greeted by expansive windows that frame the lake and flood the home with natural light--it's truly breathtaking. The kitchen is made for those who love to cook, host, and gather. Featuring quartz countertops, a generous island, gas range, and custom cabinetry, it flows seamlessly into the main living space, where a striking stone gas fireplace adds warmth and character. On the main floor, the primary bedroom is a relaxing retreat. You'll love the spacious walk-in closet and the spa-inspired ensuite with double vanities, a luxurious shower, and a soaker tub perfectly positioned to take in those iconic lake views. Throughout the home, you'll find elevated details like engineered hardwood flooring and custom crown moldings that reflect the care and quality poured into this build. Step outside to the covered deck--your year-round hangout. Whether it's morning coffee or evening wine, the lake views will never get old. The walk-out basement offers excellent suite potential (already plumbed), along with another cozy gas fireplace, a stylish double vanity bathroom, and generous ...
